

15

OXFORD, Wednesday Evening.

THE Worthy and Independent FREEMEN
that have not polled, are earnestly requested
to attend early To-morrow Morning, at the Town
Hall, to give their Votes in favour of Francis
Burton and Arthur Annesley, Esqrs.

The Majority that appeared upon this Day's
Poll for Mr. PETERS will be accounted for by the
Pressure of the Crowd, and the Difficulty of the
Friends of the Old Members to approach the
Poll-Book. The Old Members have great Plea-
sure in assuring their Friends that they have the
best founded Hopes, that their Endeavours again
to become the Representatives in Parliament of
this ancient and respectable City, will be ulti-
mately crowned with Success. They have hitherto
acted in Concert, and they are determined that
no Contrivance of their Opponent shall separate
their Interests.

F. BURTON.

MARTIN ANNESLEY
